Dear Stakeholder;

The Alaska Department of Environmental Conservation (ADEC) has public noticed Teck Alaska Incorporated's (Teck) draft Monitoring Plan and draft Remediation Plan associated with Teck's Fugitive Dust Risk Management Plan for Red Dog Mine. The public comment period is open between June 15 and August 2, 2010. Enclosed is the public notice. The notice along with the two draft plans, the Final Fugitive Dust Risk Assessment report and associated documents on the mine's fugitive dust issue is also available for review on ADEC's webpage at: <http://www.dec.state.ak.us/spar/csp/sites/reddog.htm>. If you have problems accessing the draft plans, please let me know so I can make them available to you.

We encourage you to review the two draft plans and submit comments to:  
Rich Sundet, Project Manager, ADEC, Contaminated Sites Program, 555 Cordova St.,
